"New Orlean, 5th April, 1854.

"Sir: I have great satisfaction in assuring you that my self and family have been very much benefited by your nedicines. My wife was cured two years since, of a severe and dangerous cough, by your Cherne Protosal, and since then has eployed perfect health. My children have several times been cured from attacks of the Influence and Croup by it. It is an invaluable remedy for these complaints. Your Catharatte Plats have entirely cured me from a dyspepsia and costveness, which has grown upon me for some years,—indeed this cure is much more important, from the lect that I had failed to get relief from the best Physicians which this section of the country affords, and from any of the numerous remedies I had taken.

"You seem to us, Doctor, like a providential blessing to our family, and you may well suppose we are not unmindful of it. Yours respectfully. Yours respectfully, LEAVITT THAXTER."

LEAVITT THANTER."

"DR. J. C. Aver.—Honored Sir: I have made a thorough trial of the Catharrie Plats, let me by your agent, and have been cured by them of the dreadul Rheumatism under which he found me suffering. The first does relieved me, and a few subsequent does have entirely removed the disease. I feel in better health now than for some years before, which I airibute entirely to the effects of your Catharrie Pills. Yours with great respect, LUCIUS B. METCALF."
